

# Clean that kitchen!

- **Dishwashing sink for dishes only!  
Wash, Rinse, & Sanitize**
- **Don't wash your hands in the dishwashing sink! Use the hand washing sink**
- **Make sure all dishes are clean and dry before putting them away**

- **Clean & sanitize all in place equipment at least daily and when needed**
- **Store all cooking equipment in its proper place when clean**
- **Clean & sanitize all food preparation surfaces before changing tasks**
- **Sweep and mop the floors when needed**
- **Take out garbage when full and at the end of the day**
