

You want your child to have everything...

**KCHD**  
can help!

The Women, Infants and Children Program (WIC) at the Knox County Health Department can help you meet the nutritional needs of your family in difficult times. This program is available to all pregnant, breastfeeding and postpartum women, infants and children up to the age of five that meet the following income guidelines:

Number in Household	Monthly Income	Annual Income
2	\$2,247	\$26,955
3	\$2,823	\$33,874
4	\$3,400	\$40,793

**Nutrition counseling, health screening, assistance with the purchase of healthy foods and MUCH MORE!**

**Knox County Health Department**

**Public Health**  
Prevent. Promote. Protect.
